

I am a U.S. soldier on active war duty in Iraq, proud, but wonder why I'm here.  
I am a service person's spouse at home trying to hold life together.  
I am an Afghanistan villager and just want to live in peace and safety and raise my children.  
I have my family in Pakistan and don't know who to trust and where to find safety.  
I am an angry frustrated Muslim with no options left.

God, who created and loves me, upholds me in dignity. Pray For Me!

I have a disease and no health insurance.  
I have sick children and can only go to ER's and free clinics.  
I have insurance but they won't cover my desperate need.  
I am broke and buried in debt due to years of expensive care.  
I am a frustrated doctor because my patients' insurance carriers won't cover their needs.  
I am a nurse working too many hours at too little pay.

God, who created and loves me, upholds me in dignity. Pray For Me!

I am homeless and my city, county, state, and country are all broke too.  
I am a single parent skipping prescriptions in order to pay rent and heat.  
I am a little school boy trying to not let the others know my family is homeless.  
I am on welfare assistance and don't understand the world I see on TV.  
I am dining at a soup kitchen while professional ball players are striking for more millions.  
I support my kids by selling myself for sex.

God, who created and loves me, upholds me in dignity. Pray For Me!

I lost my job months ago and my unemployment compensation just ran out.  
I can't find a job because of my age and lack of skills.  
I am being deported but my children were born here.  
I moved for work but must now start legal processing all over.  
I am here because I'm hungry and want to have a chance.  
I am a citizen but can't find work.  
I am a small employer and can't afford steep wages.

God, who created and loves me, upholds me in dignity. Pray For Me!

I love music but my school dropped it.  
I love art but the only teacher left.  
I have special needs but can't find help.  
I have to work and don't have time to study.  
I have great grades but even with aid can't afford college.  
I go to school with policemen in the hallways.  
I dropped out because gang life makes me rich.

God, who created and loves me, upholds me in dignity. Pray For Me!

I come from the poorest of villages in Africa and nobody else cares that we're being killed.  
I can't find anywhere safe for me and my family to live in our land.  
I am a North Korean in poverty while our leaders march the army and build missiles.  
I am Iranian and afraid Israel and the US will attack.  
I wonder why other nations get to have nuclear weapons but say we can't.

God, who created and loves me, upholds me in dignity. Pray For Me!

I am from the future and wonder why you didn't save the land, water, air, plants and animals  
for me – we're dying now and it would have been so easy for you to act.

God, who created and loves me, upholds me in dignity. Pray For Me!

I am a right wing conservative activist who hates all these liberal immoral socialists.  
I am a left wing liberal activist who hates all these selfish unfeeling nay-sayers.  
I go to church every week, sing the hymns and repeat the prayers but want peace and justice  
people to leave me alone.
